

ABOUT THE BIOLA MEN'S LACROSSE 2001 CLUB: We invite you to join the **2001 Club** for Biola Men's lacrosse, to help the team carry on the tradition of lacrosse that started in 2001. Biola Men's Lacrosse would not be where we are today without the support of past players, families, and friends of the program.

The **2001 Club** is a membership group, comprised of supporters of Biola Men's Lacrosse, who are committed to helping the program reach new heights. Members of the **2001 Club** pledge a minimum gift of \$20.01 for each victory. For example, in 2019, the team won three games, adding up to a minimum donation of \$60.03. Over the past 10 seasons the team has averaged seven victories per season.

All gifts from the **2001 Club** will go directly to helping Biola Men's Lacrosse meet the financial demands that each season presents. As a non-NCAA team the future of lacrosse at Biola rests on the shoulders of its athletes and supporters. With player equipment, travel expenses, and league fees, the season can get quite expensive and often times our budget fails to extend as far as we would like. In addition to purchasing their own equipment, each player is also responsible to pay team dues in order to help cover these yearly operating costs. Your gift helps ensure the growth of Biola Men's Lacrosse without putting addition financial burden on our student-athletes.

The **2001 Club** is an easy, impactful way to ensure the continued growth of the program and its student-athletes.
